PRISON BOARD OF COMMISSIONERS:

At the July 11, 2006 Prison Board of Commissioners Administrative Regulations 100-101 and 105 were changed. From that time elected officials including legislators have had to make an appointment with the Director of Prisons and have his permission to enter a NV prison.

This took away any check and balance on the prison system as all anyone will see is a whitewashed situation. The real prison conditions that Asm. Harvey Munford witnessed will never again be seen or have a chance of being corrected.

Will you please review the AR's carefully to ensure that this very important check and balance by the elected officials of the State of NV is in tact.

Respectfully submitted,
